What does my donation accomplish?

Many things go into the operation of an ambitious musical ensemble, and Chronos Vocal Ensemble will use donated funds for many purposes including:

- Music Purchase and Rental
- Commissioning of new musical works
- Venue costs (rehearsal and performance)
- Production costs: Personnel, lighting, recording, programs, tickets...
- Fees for Artistic Director, rehearsal accompanists and guest musicians
- Administration of the organization
- Marketing and promotion
- Bringing performances to audiences outside of Edmonton
- Recording Production: Venue, recording, editing, design, rights, production, shipping...

Chronos Music Society believes in running Chronos Vocal Ensemble in an increasingly professional manner as funds allow. This guarantees excellent results in performance, and frees our committed volunteer singers to give what we most need from them: their time and musical talent.

Chronos Music Society is a registered charity and issues tax receipts for donations over \$20. All donations over \$50 will be acknowledged in our concert programs, and for a comprehensive list of Donor Benefits, see reverse.
