

Chronos Music Society Board of Directors: **Call for Interest**

You love the arts and want to help them thrive in Edmonton.

We love to thrill audiences with outstanding choral performances and recordings, as one of Canada's premier non-professional chamber choirs.

Together, let's foster artistic excellence in our community and beyond.

Chronos Music Society (CMS) Board members are engaged critical thinkers who bring diverse skills, perspectives, and connections, ask good questions at the right times, and provide needed insight. CMS is seeking new board members to help expand the choir's profile and capacity.

Since 2013, CMS has gained and maintained stable funding streams from the Edmonton Arts Council, Alberta Foundation for the Arts, Canada Council for the Arts, Alberta Gaming and Liquor Commission (casino funding), project support from several foundations, and a growing pool of engaged sponsors and individual donors.

These achievements on the operational side have supported artistic achievements including well-subscribed annual concert seasons, national and international touring, extensive recording work, an annual composition competition, and winning the grand prize in the National Competition for Amateur Choirs.

The CMS Board works to maintain and enhance the organization's trajectory of growth and repute. If you are interested in fostering artistic excellence in Edmonton through volunteer Board service with Chronos Music Society, please contact us to learn more, or chat with any current or past Board member, or our Artistic/Executive Director Jordan Van Biert .
